Thank you note - #cocreate2Accelerate Welcoming Dinner

Dear Clare,

I trust this mail finds you well.

Please allow me to express my gratitude to you, for the role played by Appetite Catering in making our #cocreate2Accelerate Welcoming Dinner at the residency such a success.

The culinary contribution that you and your team manage to deliver every single time is highly regarded by me and my staff.

The photographs taken at the event are available on our [#cocreateSA Facebook Page](#). Feel free to tag, like and share them.

Once again, thank you for your support as we continue to #cocreateSA.

Stay well and keep in touch!
